

## Adesewa Kolawole

I am a Certified UI/UX Designer with 2+ years of experience passionate about user centered design. As technology evolves, creative thinking is needed to build the next billion users' products.

A bright, talented, ambitious and self-motivated individual with a strong technical background who possesses self-discipline and the ability to work with the minimum of supervision. Able to play a key role in an organization. A good team player who thrives on creating engaging creative solutions, is deadline oriented and has the ability to produce detailed technical specifications from client requirements.

A quick learner who can absorb new ideas and can communicate clearly and effectively. Safety conscious and compliant to safety precaution
